Our History

Established in **2010**, with a batch of 6 students, we at Leo Kids cater to more than **175 students every year**. A well-established team of **professional teachers** trained under the in house accredited and recognised **Early Childhood Care and Education** program we make sure every child is attended by a professional.

Our Principal

Mrs. Himaxi Doshi has done B. Com., L.L.B. & E.C.C.Ed., and is in the field of academics since the last 15 years. She started her career in academics as a Mathematics teacher, later started **Leo Kids**® in the year 2010 with an aim to provide best educational facilities but at affordable fees.

Our Vision

We at **Leo Kids** strive to create the future flag bearers of our society, with **economic affordability** while maintaining **quality and excellence**.

Our Uniqueness

- Bright, Well Lit, Spacious and Cool Class rooms.
- Qualified, Experienced and Caring Teachers.
- Audio – Visual aid available.
- Huge collection of interactive books at our library.
- Educational and fun toys to enhance the motor skills of the kids.
- Teacher to Student ratio of 1:8/1:10, so every child is attended.
- Dedicated days for explanation of concepts like Colors, Shapes, vegetables, etc.
- Celebration of multiple festivals to acquaint children with our cultures and traditions.

We value parent involvement at every level and encourage you to partner with us to give your child the most nurturing and joyous learning experience possible.

Our Uniqueness

- Grand celebration of Navratri, Field trips & Picnics along with parents.
- Monthly Open house and discussions on progress of every child.
- Medical and dental check-up camps.
- 100 % participation in the Annual day programme organised every year at Auditorium.
- Nurturing habits to prepare students for full fledge school from first standard.
- Inculcating Indian values and ethics.
- Lastly, we at **Leo Kids**® preschool understand that every child comes with unique experiences, interests and learning styles. We try to know the child and use their interests to guide, support and motivate them.
